FlexMax™ Glucosamine Chondroitin Sulfate combines the two most popular supplements for joint health. Glucosamine Sulfate lubricates damaged joint tissue by providing nutrient flow to tissue and cartilage.* Chondroitin Sulfate is one of the most abundant components of articular cartilage-a key component for healthy joints.

Very Low Sodium
Nature's Way Glucosamine Chondroitin Sulfate is preferred by people concerned about high blood pressure because it is processed with sodium-free Glucosamine and Chondroitin which contains only 1% sodium per serving.

Dosage
Take 2 tablets twice daily.

Dosage Form

Precautions
Contains ingredients derived from shrimp, crab and lobster.
