Clinically studies show that Umcka shortens duration, reduces the severity and breaks the cold cycle

Usage Warnings
Sore throat warning: if sore throat is severe and persists more than 2 days, is accompanied or followed by a fever, headache, rash, nausea or vomiting consult a doctor promptly. Ask a doctor before use if cough lasts or is chronic. Stop use and ask a doctor if symptoms worsen and do not improve within 7 days or if fever worsens and lasts more than 3 days or new symptoms occur. This could be a sign of a serious condition

Ask a health professional before use
