D-Flame™ - 90 Vcaps®

We all have one thing in common – we're alive! And it's no secret that day to day living can take a ruinous toll on our muscles, joints, and vital systems. NOW® D-Flame is a revolutionary new herbal complex used to inhibit the effects of COX-2 and 5-LOX – two naturally occurring enzymes associated with a host of inflammatory conditions. Safe to use daily, this powerful composite may help curtail the aches, pains and stress that we face every day. In addition, this synergistic blend may be especially effective in supporting both vascular and general health by normalizing our body's production of COX-2 and 5-LOX enzymes.*
