*Renew Your Life...FeelAnew™! During our lifetime, as we age or overexert our bodies, we may need additional pain management support to help us move freely and remain flexible. For the first time, Glucosamine, Chondroitin and patent pending natural COX-2 inhibitor Nexrutine™ are combined to give you a systematic approach to natural pain management as a result of a lifetime of overexertion. Stay active...feel young again...with FeelAnew™!**

*Joint Comfort**

- *FeelAnew™ contains Glucosamine, Chondroitin and Nexrutine™, a natural COX-2 enzyme inhibitor from Phellodendron amurense.**
- *Patent-pending ingredient Nexrutine™ has been scientifically shown to inhibit the COX-2 enzyme. COX-2 is involved with how we experience and feel pain.**
- *Glucosamine and Chondroitin are substances that are produced in our bodies naturally and help serve as building blocks for our connective tissues.**
- *Glucosamine and Chondroitin also help provide comfortable movement and flexibility by aiding in the generation of joint lubricating fluids.**
- *For best results, FeelAnew™ should be taken daily.**

The combination of Glucosamine and Chondroitin for joint health and COX-2 Inhibitor Nexrutine™ for natural relief of muscle pain provides complete body support.*
