PS-IQ™ synergistically combines PS (derived from soy) and valuable essential fatty acids to optimize brain function. This formula helps improve memory, focus and mental clarity. To ensure your safety, Tuna Oil and EPO are tested for heavy metals, pesticides and peroxide. Antioxidant Vitamin E is added to naturally preserve the precious oils. PS-IQ is ideal for anyone seeking nutritional brain support safely and naturally.*

Suggested Usage:
1 softgel, 4 –6 times per day preferably with meals or as directed by a health professional. Keep out of reach of children. Contains no artificial preservatives, color or sweeteners; no dairy, starch, wheat or yeast.
