Olivir™ 15

An olive leaf extract supplement to support immune system function.* Olivir™ brand olive leaf extract is standardized to yield a minimum of 75 mg (15%) Oleuropein per tablet. Olivir™ works by stimulating your body's protective cells (phagocytes) to ingest foreign matter. It has no impact on "friendly" intestinal microorganisms. Thus, it can be used to support the Immune System when invasive microorganisms are present.*

Each tablet contains 500 mg Olive Leaf Extract (Olea auropaea) yielding 75 mg Oleuropein, 100 mg Calcium, 70 mg Phosphorus.

Additional ingredients: dicalcium phosphate, cellulose, sillicon dioxide, magnesium stearate.

As a dietary supplement, take one to three tablets between meals. If detoxification symptoms occur, reduce daily dosage.

Olivir 15™ 2760

2760.4 (45 tablets)

2760.9 (90 tablets)
