Code: DRB-00149
Size: 90 VC
MSRP: $29.99

Serrapeptase is a proteolytic enzyme isolated from the non-pathogenic bacteria Serratia species found in the digestive tract of the Japanese silkworm. The enzyme is used by the worms to digest their cocoons. Serrapeptase has been used as a nutritional supplement in Europe and Asia for nearly three decades. Each vegetarian capsule of Best Serrapeptase contains enteric-coated, acid stable granules of pure serrapeptase designed for optimal absorption in the intestinal tract.

Ingredients

Supplement Facts

Serving Size 1 capsule
Servings per container 90 servings

Amount per serving	% Daily Value
