buy now

The WellBetX™ Revolutionary Appetite & Glucose Balance Formula with PGX is a meal replacement drink mix that contains a well-researched blend of nutrients that can support healthy blood sugar levels between meals.

Each serving contains 22 grams of protein, from high quality whey protein, only 14 grams of carbohydrates and 5 grams of dietary fiber. For breakfast or lunch, this nutrient packed mix provides 234 calories and a whole range of nutrients found in a well-balanced meal.

The PGX fiber blend is unique. It slows absorption of glucose and calories, while it creates a sense of fullness for appetite control.

With natural flavors (Chocolate and French Vanilla) and natural sweeteners, this WellBetX product tastes great while helping you balance blood sugar and insulin levels.

Also available:
1.9 lb. Chocolate - 3559
