

## Oregano Oil 70

**It provides immediate immune support and has a broad spectrum effect. It also helps regulate candida.**

### Who can benefit from this supplement?

Those with bacterial, fungal, viral (cold and flu) and parasitic infections (i.e. travelers). Contains only true wild Mediterranean Origanum vulgare, the most powerful Oregano nature offers. It is standardized to 70% carvacrol, the active component of the herb. Guaranteed true Wild Oregano, from Turkey. Steam distilled for highest purity and potency. Phyto-Tech™ Oregano Oil 70 is standardized to not less than 70% Carvacrol. It is available in liquid form (43 mg oregano oil equivalent to 30 mg carvacrol per four drops) and in a liquid filled veggie cap (45 mg oregano oil equivalent to 32 mg carvacrol per capsule). *Dosage: Veggie Caps: 1 capsule 1-3 times per day is a typical dose. Go up to 2 caps if necessary when ill or severe parasites. Liquid: Internal Acute: 2-6 drops in water or juice up to every 2 hours until symptoms subside plus a few days. Can go up to 10 drops when necessary per serving. Internal Long Term: 1-4 drops in water or juice 1-3 times per day. Long term use is OK. Topical: Use enough to cover the area desired. If a warming sensation occurs that is unpleasant, dilute in a little lotion or vegetable oil first.*

**1 fl oz ~ Liquid ~ Prod Code: 56939**

**60 Liquid Filled Veggie Caps ~ Prod Code: 57047**

**120 Liquid Filled Veggie Caps ~ Prod Code: 57046**

**Suggested Use:**
