Respiratory Complex

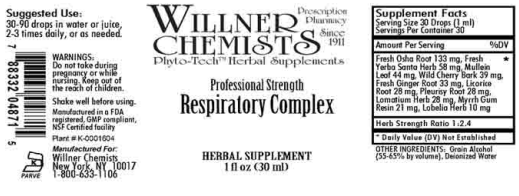

A blend of antimicrobial, decongestant, bronchopulmonary healing herbs.

Who might benefit from this herbal supplement?

Those suffering from acute colds, flue, sinus infections, asthma, bronchitis, pneumonia, and general lung congestion; those who smoke; those with excess mucous in the lungs; those who get sick easily and are exposed to sources of infection. Phyto-Tech™ Respiratory Complex Liquid, regular and alcohol free, is similar, but does not contain the Oregano Oil. Oregano Oil add some additional antimicrobial action to the blend. Respiratory Complex is a great respiratory remedy for acute colds, flu, sinus infections, asthma, bronchitis, pneumonia, smokers' lung, pneumocystis and general lung congestion. It is a powerful lung macrophage (white blood cell) stimulant to help the lung powerfully address viral and bacterial conditions. It helps clear the lungs of congestion in order to resolve lingering mucus that wants to be expelled. Herbalists believe that If mucus stays in the lungs too long, it becomes a breeding ground for viruses and bacteria to continually live, thus prolonging recovery from colds and flues. For colds and flu, Respiratory Complex is a powerful and immediate lung white blood cell stimulant (Osha, Lomatium). Phlegm is loosened with Licorice, the chest cavity is opened with Lobelia, lungs relax with Wild Cherry and Mullein and Yerba Santa excites the lung cilia to remove the phlegm. This is especially good for spastic cough. The formula is very effective as a preventive for those who get sick easily and/or anticipate exposure to others who are sick. Taking Respiratory Complex, along with Echinacea, at the initial onset of a respiratory illness can be very effective in reducing the severity and duration of the condition. *Phyto-Tech™ Respiratory Complex Veggie Caps contains Fresh Osha Root, Fresh Yerba Santa Leaf, Lomatium Root, Garlic Bulb, Mullein Leaf, Thyme Herb, Licorice Root, Oregon Grape Root, Echinacea purpurea Flowering Tops, Wild Cherry Bark, Ginger Root, Oregano Oil.*
