Featured Product

Item	**Cardio Omega Solutions™**
Size/Form	60 Softgels
SKU Number	4242
Recommended Daily Dosage	Take 2 softgels two times daily with meals.

May Reduce Risk of Coronary Heart Disease

- *Consumption of omega-3 fatty acids may reduce the risk of coronary heart disease. FDA evaluated the data and determined that, although there is scientific evidence supporting the claim, the evidence is not conclusive.*
- *Found in most fruits, vegetables and whole grain products, phytosterols are natural compounds that are part of a healthy diet. But it can be difficult to consume enough of these foods on a daily basis to derive enough phytosterols.*
- *Foods and supplements containing at least 650 mg per serving of vegetable oil sterol esters, eaten twice a day with meals for a daily total intake of at least 1.3 grams, as part of a diet low in saturated fat and cholesterol, may reduce the risk of heart disease. A serving of Natrol® Cardio Omega Solutions™ supplies 650 mg of vegetable oil sterol esters.*

Part of the Omega Solutions™ family

SUPPLEMENT FACTS

Serving Size: 2 Softgels
Servings Per Container: 30

Ingredient	Amt Per Serving	% Daily Value
