Product Description:

A Vegetarian Calcium/Magnesium/D2 Supplement to support bone function.* We combine a 2:1 ratio of elemental calcium to magnesium in the citrate form along with vitamin D to enhance absorption. Calcium citrate is easy to absorb allowing a high percentage of elemental calcium and magnesium to be utilized by the body. Calcium and Magnesium are important for neurological and nervous system development, but also help with calming and relaxation, which makes it great for right before bed time.* This convenient tasteless powder makes it easy to administer and can be mixed in cold drinks or soft foods.

Children: 1 scoop daily.
Adults: 1 scoop, 1-2 times daily.

Each scoop (4.64 g) contains:
Vitamin D2 (ergocalciferol) . . . . . .100 IU
Calcium (as Calcium Citrate) . . . . . 600 mg
Magnesium (as Magnesium Citrate) . . . . . 300 mg

Other ingredients: none.
