Digenzyme™

SKU:	Size:
0200342.090	(90 vegetarian capsules)

SHOP ONLINE: Healthcare Professionals
SHOP ONLINE: Patients/Consumers

Product Description:

Digenzyme™ is a comprehensive and completely vegetarian digestive enzyme supplement to support digestive tract function and nutrient absorption.* As a broad-spectrum multiple enzyme formula it provides digestive activity for a full range of proteins found in the intestinal tract.* Digenzyme™ is formulated to assist in the breaking down of plant and animal proteins, as well as peptides derived from casein and gluten. It is recommended for vegetarians, those on gluten and casein free diets, people with deficient digestive enzymes, and geriatric individuals.* Digenzyme™ also includes the unique enzyme Dipeptidyl peptidase IV, which digests protein peptides from dairy products and cereal grains (exophins, casomorphin, gluteomorphin and gliadomorphin) that are generally resistant to complete digestion.*

Take 1 capsule with a meal, 3 times daily.

Each capsule contains:
Peptidase (with Dipeptidyl Peptidase IV activity) . .15,000 HUT
Protease . . . . . .29.000 HUT
Bromelain . . . . . 180 GDU
Papain . . . . . .150,000 PU
Amylase . . . . . 11,750 DU
Lactase . . . . . 875 ALU
Hemicellulase . . . . . .115 HCU

Since 1973
Recommended By Leading Doctors

Other ingredients: vegetable cellulose.
