BroccoMax™

Phase 2 Stimulator, Detoxicant, Healthy Cell Replication*

Dosage: 500 mg
Size: 60 Capsules
Category: Green, Fruit, Super Foods
Product Number: 20027
Product Code: BROC

Print product info

Usage: Take 1 capsule per day with a meal, or as directed by your qualified health consultant.

Cruciferous vegetables such as broccoli have been associated with antioxidant and cellular protection. BroccoMax™ contains a standardized concentration of SGS™ (Sulforaphane Glucosinolate) extracted without solvents from broccoli seeds. SGS™ is metabolized to sulforaphane (isothiocyanate), which is a highly reactive antioxidant.

In extensive studies, sulforaphane has been demonstrated to be a potent inducer of phase 2 detoxifying enzymes and protector of DNA. Each capsule of BroccoMax™ contains 30 mg of sulforaphane glucosinolate, concentrated at least 20 times greater than in broccoli.*

Keep out of the reach of children.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

Other Ingredients: Cellulose and magnesium stearate. Capsule consists of gelatin.

Supplement Facts

Serving Size 1 Capsule

	Amount Per Serving	% DV
Broccoli seed extract	500 mg	*
Providing 30 mg Sulforaphane Glucosinolate		

* Daily Value not established.
