Cranberry has become an essential element in the promotion of sound urinary tract health. Maximum Strength Standardized Cranberry Extract from NOW is naturally rich in powerful compounds called proanthocyanidins (OPC's). These OPC's discourage harmful bacteria from clinging to the lining of the urinary tract. If ignored, these bacteria can lead to the formation of a hostile environment prone to infection and unhealthy bacterial growth.

Product FAQ's

Online Seminar - Women's Health Issues: Listen to a seminar on women's health issues and the supplements that address some of the most common concerns for women today. Presented by Dr. Hyla Cass.
