Beta Glucan™

Immune Activator *

Dosage: n/a
Size: 60 capsules
Category: Specialty Products
Product Number: 03023
Product Code: GLUCAN

Usage: Take on an empty stomach, with a full glass of water.

Jarrow Formulas® Beta Glucan is made from WGP® 3–6, a special ß1,3 / ß1,6 glucan extract of the Baker's yeast (Saccharomyces cerevisiae) cell walls. This product activates immune function by stimulation of NK cells, granulocytes, monocytes, and macrophages. After oral consumption, beta glucans are delivered to bone marrow granulocytes by macrophages travelling through lymphatic circulation. WGP® 3–6 is protected by more than 40 patents and has demonstrated immunogenic activity in clinical trials.*

Keep out of the reach of children.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

Other Ingredients: Cellulose, magnesium stearate, and silicon dioxide. WGP® is a registered trademark of Biothera.
