Grapeseed Extract with Resveratrol
**100 mg, 60 capsules**
Item Catalog Number: 816

Life Extension's Grapeseed Extract with Resveratrol formula provides a concentrated blend of standardized proanthocyanidins found in grape seed and skins. The proanthocyanidins and flavonoids in this new formula are rapidly absorbed and distributed throughout the body, helping to eliminate free radicals while promoting healthy collagen formation.*

Unlike other products that contain only proanthocyanidins, this new blend also provides standardized resveratrol, the polyphenol in red wine that has shown so many health benefits.

Supplement Facts

| | |
|---|---|
| Serving Size 1 capsule | |
| Servings Per Container 60 | |
| Amount Per Serving | |
| Vitamin C (as calcium ascorbate) | 250 mg |
| Calcium (as calcium ascorbate) | 25 mg |
