Product Description:

A dietary supplement to support proper nerve and heart functions.* Potassium Aspartate is an amino acid chelate of Potassium and Aspartic Acid. This complex is absorbed intact and is released in the inner layer of the outer cell membrane. DaVinci's Potassium Aspartate+ formula includes Vitamin B6 and Niacinamide to assist in optimal utilization of Potassium Aspartate.

Take 1 capsule, 3 times daily with meals.

Each capsule contains:
Niacin (as niacinimide) . . . . . .5 mg
Vitamin B6 . . . . . 2 mg
Calcium . . . . . 10 mg
Potassium (from 500 mg potassium aspartate) . . . . . .99 mg

Other ingredients: rice flour, gelatin.
