Cramp Bark 1:3

Traditionally used for menstrual cramps, due to its smooth muscle relaxant action.

The bark has traditionally been used for cramps, including menstrual cramps and cramping associated with arthritis. While research is limited, a laboratory study found that viopudial isolated from Viburnum opulus (cramp bark) had antispasmodic effects on smooth muscle.

Who might benefit from this supplement? Women suffering from difficult periods, dysmenorrhea and PMS; It may also be helpful to those with intestinal cramps.

Phyto-Tech™ Cramp Bark 1:3 contains Cramp Bark (Viburnum opulus), Grain Alcohol, Deionized Water. Wild Harvested.

Dosage: General: 30-60 drops, 2-3 times per day or as needed in juice or water; Acute Cramping: Take 60 drops to 1 teaspoon as needed.

1 fl oz - Product Code: 57059
List: $10.90 ~ Discount: $8.72
