Prebiotin Heart Health

Add to Cart

Prebiotin Heart Health reduces cholesterol by the action of psyllium and oat bran on the gut. Triglycerides may also be reduced. Prebiotin also confers other health benefits such as calcium absorption and enhanced immunity.

Prebiotin-Heart Health is lightly flavored with natural vanilla and sweetened with stevia. It is low in calories and fat free. It comes in a 30 serving jar with a convenient measured serving scoop. See How to Take for specific usage instructions

Prebiotin-Heart Health adds to the triglyceride-fighting power of Prebiotics by including two more proven Cholesterol fighters*.

Prebiotin – Heart Health contains:

- Oligofructose-Enriched-Inulin Prebiotic Fiber; Triglyceride Reduction, Blood Pressure Control
- Oat Bran – Cholesterol Reduction*
- Psyllium – Cholesterol Reduction*

Unlike ordinary prebiotics such as Inulin or FOS, OEI ensures that Prebiotin Heart Health nourishes beneficial bacteria throughout the colon.

Benefits of Prebiotin-Heart Health

Research shows Prebiotin:

- Reduces Triglycerides
- Reduces Blood Pressure (hypertension)
- Controls Appetitie and Weight
- Reduces Colon Polyp and Cancer Factors
- Increases Calcium Absorption
- Increases Good Colon Bacteria
- Enhances the Immune System
- Improves Bowel Regularity
- Increases Bone Density
- Reduces Allergies and Asthma
- Decreases Flatus Smell

Manufactured in the U.S.A. in an FDA-inspected, GMP-certified facility.

Jackson GI Medical, Makers of Prebiotin, suggest you consider Prebiotin – Heart Health if your area of concern is:

- Better Digestive Health
- Nourishing Beneficial Bacteria
- Enhancing a Probiotic Supplement
- Enhancing Immunity
